

TECHNICAL DATA SHEET

GRODAL RPWB 200

DESCRIPTION

Grodal RPWB 200 is an oil free and nitrite free cleaning concentrate that provides excellent rust protection with cast iron.

APPLICATION

Grodal RPWB 200 is used for cleaning cast - iron and steel by spray wash or immersion. This provides very good rust protection to components.

BENEFITS

- Excellent Rust/corrosion protection.
- Nitrite free hence eliminates possible health hazards associated with these materials.
- Eliminates oil mist.
- Longer sump life.

TECHNICAL DATA

Appearance	:	Yellow Clear Liquid
Sp. Gravity @30°C	:	1.07 – 1.17
pH Neat	:	Above 10
Solution in 2 % water	:	Clear

RECOMMENDATIONS

Premixing the Grodal RPWB 200 into water with good agitation outside the machine sump is recommended. Grodal RPWB 200 is recommended between 4 - 5% concentration while in use.

ADVICES

The concentration of Grodal RPWB 200 solution can easily be checked by using refractometer. Maintain concentration and avoid contact with strong oxidizers.

SAFETY

This oil is unlikely to present any significant health or safety hazard when properly used in the recommended application as well as good standards of industrial and personal hygiene are maintained.
